THE REAL

Extensive Showrooms

Come visit our large state of the art showrooms, where we'd be happy to give any advice you may need for your project.

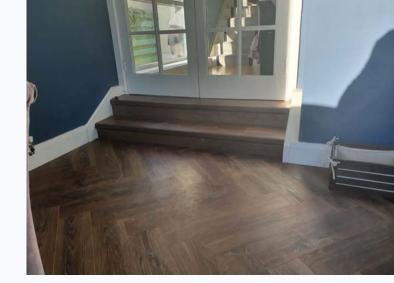

Laminate Flooring

At Doherty Flooring we supply and fit quality laminate floors from only the top manufacturers such as Whiteriver, Quickstep & Balterio. Our wide choice of laminate flooring will transform your clients home at an affordable price.

Engineered Wood Flooring

We are also one of Whiteriver's top distributors in Dublin and offer a supply only service

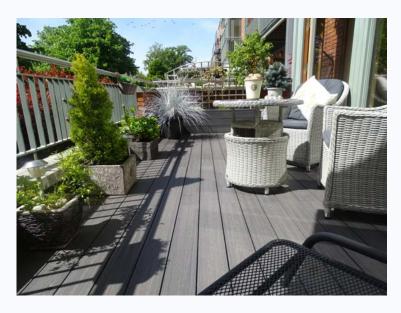

Composite Decking

At Doherty Flooring we provide quality outdoor decking for our customers

Whiteriver Composite Decking is recommended as it has a natural look but won't discolour. It is slip resistant & low maintenance.

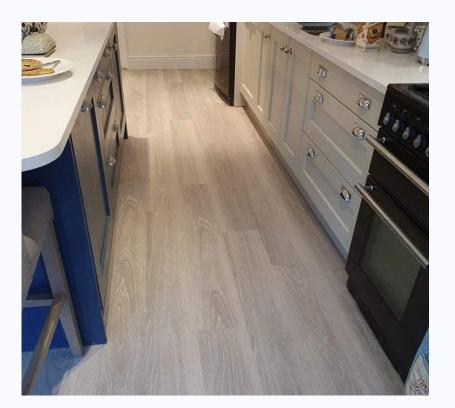

Vinyl Flooring

Doherty Flooring Project

The future of flooring, Expono LVT, only 5mm thick with built in underlay. It can be laid over existing flooring. On this particular project the clients went over tiles which were underneath the kitchen including the island so this was the perfect solution. We also ran in into the hall and sitting room. We used plywood underneath the sitting room so we maintained perfect levels throughout and no need for unsightly bars at doorways.

Carpets

WE OFFER A FULL RANGE OF CARPETS FROM ALL LEADING SUPPLIERS PLAIN, TEXTURED, VELVET, DEEP PILE & PATTERNED

We also offer a taping & binding service for stair runners
